Mr Yates also requested an update on speed reduction measures in the village, especially Church Road. The Chairman explained that a number of projects were being pursued using funding from the County Council's Local Highway Improvement grant scheme and schemes in both Upwell Road and elsewhere in the village will be delivered in the coming months.

Mr Guilford agreed to clarify the article in The Heron regarding the Community Car Scheme. He also reminded the Council that he has the Community Speedwatch equipment and is happy for it to be used by anybody who has received the appropriate training from the Police.
